

Fall 2026 Group Advisement Announcements

Registrar's Office

October 19, 2026

Fall 2026 Group Advisement Attendance

Planning to Graduate this academic year?

Steps to Graduation:

- Review “The Finish Line” course on D2L
- Apply to graduate by December 1!
- Finish strong
 - Check to make sure that your enrollments in your remaining courses are on your schedule (Spring, and Summer 2027, if needed)
 - Transfer in any additional course credit (send official transcripts to admissions@oru.edu)
 - Submit any needed petitions
- Visit oru.edu/commencement for more graduation information

Audits

- In-person audits are no longer scheduled but will be completed proactively for all students nearing graduation.
- Students will receive an email notification when their audit is complete.
- Audit details will be located at the bottom of DegreeWorks in the 'Notes' section.
- Junior audits will also be completed proactively after all senior and graduate student audits are completed.
- Make sure to show your audit notes in DegreeWorks to your advisor, and continue to work with your advisor to map out your remaining requirements for degree completion!

Advisement

- Advising is available at any time throughout the semester.
 - Departmental Academic Advisors are assigned to each student, and you can connect with them in-person or via email.
 - The Center of Academic Advising and Tutoring (CAAT) on LRC 2 is also available at any time. For more information to go oru.edu/academics/caat
- Set up a time to meet with your advisor to discuss your schedule for Spring and Summer 2027!

2027 Class Registration

Registration is currently open for Spring and Summer 2027!

Summer School:

Keep your momentum going by taking Summer School! Take advantage of:

- Discounted undergraduate tuition
- Fewer courses needed in your Fall/Spring schedules or even graduating early!

Financial Aid is available.

Go to oru.edu/summer for more information

Class Registration & Waitlisting

- If a course is full you will need to be added to the Waitlist
- Being on the waitlist does NOT mean you are registered in the course
- When a spot becomes available, you will receive an email and have 48 hours to enroll in the course.
- Once notified, you will go back into Registration on my.oru.edu and will change your status from "Waitlisted" to "Registered".

Class Registration Overrides

- Occasionally, students encounter restrictions when attempting to register in a course.
- When this happens, such as for a prerequisite or classification error, please discuss course enrollment with your advisor and the department of the course to see if an override can be granted.

Adjusting Variable Credit

- Students are able to adjust variable credit courses, such as HPE, during the add/drop period.
- On your registration screen:
 1. Locate the '**Schedule and Options**' tab
 2. Adjust the credit (example: from 0.5 credit hours to 1 credit hour or vice versa)
 3. Hit 'Submit'

Please note: Courses have prescribed limits according to the University Catalog located at catalog.oru.edu.
